

## 1950s Through the Decades fun day at Princess Christian Care Home

Last week saw us celebrate our 50s themed fun day here at Princess Christian Care Home and it certainly brought back some wonderful memories for our lovely residents – from homemade hairsprays to sneaking out to go dancing!

Obviously our super clever residents all did very well with our **1950s quiz** and they enjoyed a photoshoot with props.

We welcomed the delightful **Najwa** to entertain us with different performances in each of our Units; she dressed up along with our Recreation and Well-Being team in **50s outfits** – *they looked fantastic!*

Our **Home** even had a visit from the King, **Elvis himself!** The team did a great job entertaining everyone throughout the day, especially Elvis with his dance moves!

To finish off the day, our residents were served some **tasty cakes to enjoy with fizzy pop.**

*Good times!*

Through the Decades 1950 style!
