

## 90th birthday wishes at Princess Christian Care Home

**We celebrated our resident Professor Hoshyar's 90th birthday last week here at Princess Christian Care Home.**

We arranged a small buffet and his family and friends held a small party for him and enjoyed being together, sharing the special occasion.

Our **Chef Cosmin** made Professor Hoshyar a beautiful puréed cake, combining three delicious homemade mousses in chocolate, strawberries and mango. There was also a wonderful chocolate topped birthday cake for family and friends to enjoy.

*Many happy returns of the day!*
