

A baby shower for Nurse Nanda at Princess Christian Care Home

This week we said goodbye to our lovely Nurse Nanda from Princess Christian Care Home's Pirbright Unit, who left for her maternity leave.

Our residents and staff joined in the fun of throwing a **baby shower**; with balloons and decorations, pizza, nibbles and presents for the baby and 'mum to be'.

Our residents enjoyed this very much and said they wished that baby showers had been around when they were younger!
