

A month of birthdays at Princess Christian Care Home

We've had a flurry of birthdays at Princess Christian Care Home so far this month with some truly magnificent cakes made by our talented Chefs.

First was **Pauline** who celebrated her 83rd birthday on Wednesday 8 March, with a delicious cake which she enjoyed along with our other residents.

Next was **Clem** who celebrated his 91st birthday along with other residents and his family on Thursday 9 March with another delightful cake.

Our dear **Patsie** celebrated her 85th birthday with her children on Sunday 12 March.

This was followed by **Tony** who turned 75 on Wednesday 15 March and one of our new residents **Patrick** who turned 69 on St Patrick's Day (17 March) – with celebrations and cake from our Chefs for them both.

Many happy returns of the day to all our March babies here at Princess Christian!
