

A spooky Halloween at Princess Christian Care Home

We had an amazing spooky time here at Princess Christian Care Home for Halloween!

Our residents had such fun **painting pumpkins**, and decorating **masks** and **witches hats**.

Our Activity Team looked fantastically freaky in their **fancy dress**, as did our trainer Daisy and Carer Michelle who also dressed up.

Our ladies and gents played **Halloween bingo** and **skeleton skittles** and enjoyed dressing up for our **photoshoot**.

To round off the day, we were joined by the wonderful **singer Gareth** who entertained our residents with his wonderful music, which they really enjoyed as they sang and danced along.

A fantastically freaky time was had by all!
