

April Fools Day at Princess Christian Care Home

Happy April fools day!

We started off the day today here at Princess Christian Care Home looking foolish and the residents loved it – especially our lovely John who was happy to try on a variety of wigs and posed for the residents who found him hilarious.

Looking forward to Easter

We have been making Easter bonnets in preparation for the Easter weekend; everyone will have an Easter hat for tomorrow's fun day!

Our resident John playing the fool!
