

Armchair travel and creative crafts at Princess Christian Care Home

Each week we enjoy some armchair travel to different countries chosen by our dear residents at Princess Christian Care Home.

Last week we were in Greece and our residents got creative, **decorating plates with a Greek design** as well as learning all about this beautiful country.

Many of our residents have visited Greece and enjoyed pointing out places that they had been to, which is a lovely way to **share stories and reminisce**.

We also started some **autumn crafts** and our ladies and gents made some stunning **collages of autumnal trees** which we have hung up in their rooms. They look so effective, using patterned papers and colourful buttons. *Great work!*
