

## Ascot fun at Princess Christian Care Home

## A day at the races

On Wednesday 15 June we celebrated Ascot Races here at Princess Christian Care Home.

Our ladies decorated hats for the day and helped make **hobby horses** for the races.

**Our Recreation and Well-Being Team dressed as jockeys** and we had four horses named *Beauty*, *Tintin*, *Mario* and *Queenie!*

Our residents chose a horse and rolled a dice to allow their horse to move so many steps forward; the first three got rosettes to pin on the winning horses.

Everyone had so much fun watching the horses and enjoyed a variety of **cakes**, all washed down with cloudy apple juices.

*We've had a request for a repeat of this soon, so roll on the next one!!*

## Sunshine and games

Our residents also enjoyed lots of **games** last week and have become experts at **bean bag toss!**

With the warm weather, we've been enjoying **sitting outside** under our gazebos listening to music and enjoying tasty **ice lollies** to keep cool.
