

Beautiful blooms and carnival vibes at Princess Christian Care Home

Flower arrangements

On Thursday 8 September our Princess Christian Care Home residents came together to enjoy some flower arranging.

They enjoyed picking out the **colourful blooms** for their displays and carefully placing them in vases.

The finished arrangements were beautiful and a real **splash of colour for our Home.**

Carnival time!

In the afternoon, we hosted a **fun carnival** at **Princess Christian.**

Our staff and some of our residents '*dressed to impress*' for the occasion with headdresses and flower garlands.

We served **fruit mocktails** and enjoyed a **jolly afternoon of singing and dancing!**
