

Birthday and anniversary celebrations at Princess Christian Care Home

Birthday wishes

We celebrated our dear Harry's 90th birthday on Thursday 15 April here at Princess Christian Care Home.

He celebrated his special day with his wife Kathleen and Bisley staff who decorated his room with **balloons and banners**. He received some lovely **cards and chocolates**, and during the visit he and Kathleen both enjoyed the **delicious birthday cake** made by our wonderful catering team.

Harry has been at Princess Christian since 2018 and was born in Richmond, Surrey in 1931. He worked as an Electrical Engineer for most of his life until he retired in 1970. He enjoyed cycling and he and Kathleen both took part in the Tour de France.

Many happy returns Harold, we're glad you had such a special day!

Anniversary celebrations

Also on Thursday we hosted a special visit with our lovely resident **Jill and her husband Mike** who were celebrating their **43rd wedding anniversary** together. They too had a **wonderful cake** made by our super catering team. It was very special to see them together.

Congratulations to them both!
