

Birthday cakes galore at Princess Christian Care Home

We've really enjoyed celebrating three birthdays here at Princess Christian Care Home over the last few days.

First we had the lovely **Edna** who turned 97 on Thursday 21 October. Her bedroom looked beautiful with all the wonderful flowers she received and she loved celebrating with her family. She told us her wonderful birthday cake was delicious!

Next we had **Linda's** special day when she turned 71 years young! She also enjoyed a visit from her family who came to celebrate with her, and was delighted with her yummy cake with chocolate trimmings.

Last but not least we had **Mick** ('The Guv'!) who celebrated his 80th birthday with our Pirbright team and a wonderful cake decorated with cream, marshmallows and raspberries.

Thank you to our fabulous catering team who produced some amazing cakes!
