

## Birthday celebrations at Princess Christian Care Home

**We have celebrated two birthdays recently here at Princess Christian Care Home.**

First we had **Clem** our charming resident who celebrated turning 89 years old on Thursday 9 March. He very much enjoyed his cake, decorated with fresh fruit, prepared by our Catering Team – as did our other residents who he kindly shared it with.

On Sunday 12 March, our dear resident **Brian** celebrated his 90th birthday along with his family and they all enjoyed his delicious cake together.

***Many happy returns to these wonderful gents!***
