

Birthday celebrations at Princess Christian Care Home

We have had two residents celebrating their birthdays recently at Princess Christian Care Home.

Our dear **Sylvia** turned **83** on Tuesday 10 October and enjoyed her scrumptious birthday cake along with our team members and other residents.

The next day we had our wonderful **Billy's 64th birthday**. He enjoyed celebrating with his sister along with other residents and our staff. He too had a delicious birthday cake provided by our clever catering team, which went down a treat!

Many happy returns to them both!
