

Birthday celebrations with cake at Princess Christian Care Home

We've enjoyed a busy weekend at Princess Christian Care Home, with spooky Halloween crafts appearing all over our Home, as well as three birthdays to celebrate!

Two of our lovely residents, **Mick** and **Linda** from our **Pirbright Unit** both enjoyed their **delicious cakes** made by our talented Catering Team. They kindly shared them with our other residents.

Louis from our Activities Team also celebrated his birthday, so his team mates presented him with a very gooey chocolate cake. It was delicious!

Many happy returns to them all!
