

## Birthday wishes and snow day fun at Princess Christian Care Home

**Our lovely resident Audrey celebrated her 90th birthday on Saturday 23 January at Princess Christian Care Home.**

She enjoyed a lovely day and especially loved her **delicious birthday cake** made by our Catering Team.

On Sunday our residents enjoyed watching the **beautiful snowfall** and were delighted when some of our staff built **two snow sculptures** for them – our **snow lady** had a lovely scarf on and red heart, whilst our **snowman** looked very relaxed on one of our benches!

*We love a snow day here at Princess Christian!*
