

Birthday wishes and walks in the sunshine at Princess Christian Care Home

On Monday 4 October we celebrated John's birthday here at Princess Christian Care Home.

John turned '75 years young' and he loved the **amazing cake** our clever Catering Team made for him.

We enjoyed a couple of hours of lovely sunshine, so we had lots of **walks outside**; **Callie** in particular loves to be outside and to feel the sun on her face, so she was very contented sitting in the garden listening to the birds.

We are also busy preparing for our *Romanian Day* on Thursday. As lots of our staff are Romanian, we shall be seeing them in traditional costume and having a buffet of Romanian treats to try, plus and music and dancing – *we can't wait!* And we're sure we can get our Manager Mario up dancing!
