

Birthday wishes for Betty at Princess Christian Care Home

On Tuesday 15 June our lovely resident Betty celebrated her 93rd birthday with old friends outside in our gazebo that we had decorated for her at Princess Christian Care Home.

She enjoyed a wonderful lunch of **fish and chips** (one of her favourites!) and **tiramisu**, all washed down with a **glass of white wine**.

In the afternoon she blew out the candles on her **delicious Victoria sponge** made by our Head Chef Cosmin and enjoyed celebrating with other residents and family,

Many happy returns Betty!
