

## Burns Night and Australia Day celebrations at Princess Christian Care Home

### Burns Night

We celebrated Burns Night on Monday 25 January with some haggis tasting and shortbread munching, all washed down with Irn-Bru and Scottish whisky, which went down well with everyone.

We also hosted a **Scottish quiz** to get everyone in the spirit of the day. Our lovely resident Doreen did very well indeed (...she was born in Scotland!).

### Australia Day

For **Australia Day**, our residents enjoyed helping make **kangaroo** and **koala** masks and **didgeridoo** props which we used for our 'Aussie photoshoot' which was great fun and really brought a smile to everyone's faces.

We also served **Lamington cake** and glasses of **fosters lager** which were a big hit!

We took our **Australian-themed trolley** around all our rooms with **goodies** for all our residents and **Australian music** playing, including Rolf Harris songs which we sang along to.

*A really G'Day was had by all!*
