

Buttons the cat explores Princess Christian Care Home

Our new cat Buttons has spent two weeks in our activity office here at Princess Christian Care Home, getting used to different surroundings.

On Monday, we moved him into our conservatory area along with all his toys and beds. He is still being **a little shy**, but couldn't resist a **nice cuddle with our lovely Doreen** who is quite taken with him.

We're sure it won't be long before he's made himself right at Home!
