

## Carnival preparations and a sunflower bloom at Princess Christian Care Home

### Carnival preparations

We have had such fun this last week at Princess Christian Care Home, getting our lovely residents involved with our carnival theme project.

Our ladies and gents have **painted scenery**, made **pom-poms** and **paper chains** and enjoyed trying on **fun outfits**. Hopefully the weather will stay good for us, but at the moment it looks like thunderstorms ahead, so we're crossing our fingers!

Our lovely Activity Co-ordinator Carol has made us a **coconut shy** and we've had lots of donations of cuddly toy prizes. And our Activity Team put up their new **gazebo** (circus tent) all on their own, well done guys, it was a huge one!

### Blooming marvellous!

Our first **sunflower** has come into bloom from our **Knaphill Unit** and it looks wonderful; we're sure the others will follow shortly. Our gardens are looking amazing and we have had a brilliant response to 'watering duties', especially our lovely Judy who helps out every day.

Our residents are enjoying being out on the **veranda**, as you get a lovely breeze in this hot weather – and it's been fruit smoothies and ice lollies all round!
