

Carols from the Cubs at Princess Christian Care Home

On Monday evening, our lovely Princess Christian Care Home residents had a visit from our local Cub Group who came to sing carols for them.

We had made up some **sweetie pots** for them and our Kitchen Team provided **tasty mince pies**, which went down a treat!

Our ladies and gents sang along to all the **nostalgic carols** and said what an amazing time they had.

We have the Brownies visiting us next week which we are all really looking forward to.
