

Celebrating Chinese New Year and flowers at Princess Christian Care Home

Chinese New Year

Here at Princess Christian Care Home we celebrated Chinese New Year with some delicious Chinese food and fun photo shoots!

Our residents enjoyed some **Chinese quizzes** as well as **armchair travel** and a **Chinese concert**. As it is 'Year of the rabbit' we also got creative and made our own **colourful rabbits** from paper plates.

Our **Chinese lunch** was enjoyed by all – prawn crackers, special fried rice and seaweed with different dips. *Yummy!*

Wishing everyone a very happy Chinese New Year!

Flower fun

This week our lovely Bisley residents had a go at **flower arranging**.

Everyone had a super time, being creative with the colourful blooms and soon the whole Unit looked and smelt wonderful. *Well done to our fantastic flower arrangers!*

We've also celebrated **International Flower Day** at our Home by making a **beautiful flower collage** together.

Our residents had a great time using all different materials for the flowers – *we think the finished display looks fantastic!*
