

Celebrating French culture at Princess Christian Care Home

We had an amazing celebration of France here at Princess Christian Care Home on Wednesday 9 June, as we continued on our Nellsar Cruise.

We welcomed the **delightful performer Najwa**, who sang for us throughout the day.

Our residents had great fun wearing berets and string onions and our marquee was turned into our **very own French café named 'Cafe Nellsar'**. Our tables were covered with chequered cloths and bows and we decorated with **French bunting** and **flags**.

We even had our very own café menu. **Croissants** and **chocolate pastries** were washed down with coffee or juices and in the afternoon we had a trolley full of **French cheeses, grapes and French bread, plus French red and white wine**.

Our lovely **Recreation and Well-Being Manager Viv** helped serve these delights to our residents and entertained everyone along with Christine with her dancing skills! *Fantastique!*

All our residents had such a great time and we can't wait to get to our next port of call in the Caribbean!
