

## Celebrating three May birthdays at Princess Christian Care Home

**We enjoyed a busy week of birthdays last week here at Princess Christian Care Home.**

First we celebrated **Margaret's** birthday on Wednesday 18 May, when she turned 96 years young! She had a great time celebrating with her family and neighbours and was delighted to received a call from her son in America, which she loved! She enjoyed her delicious cake too, which she shared with our other residents and staff.

Next to celebrated was our dear **John**, who had his 83rd birthday on Saturday 21 May. He celebrated with family, as well as staff and our other residents, and enjoyed his Nutella cake, covered with chocolate and fresh berries, very much. *Yum!*

On Sunday 22 May it was **Wendy's** turn to be spoilt when she enjoyed her 87th birthday. She was joined by our staff and residents, as well as our Home cat **Totty** who she is very fond of (*purrfect!*). She very much enjoyed receiving her celebration cake.

*Many happy returns to them all!*
