

Chocolate muffins and Jamaican art at Princess Christian Care Home

Making muffins

Here at Princess Christian Care Home we made chocolate muffins with our residents on Friday 25 June.

Our ladies and gents really enjoyed mixing the ingredients and preparing them for baking. They especially enjoyed eating them too!

Yummy!

Next on the menu is pizza making!

Jamaican painting

On Tuesday 29 June some of our residents tried their hand at **Jamaican painting** – and what a superb job they did too!

Their pictures look so **bright and cheerful** and we shall be hanging them in the Unit.

Well done Barbara, Doreen, Jan and John!
