

## Christmas Elves arrive at Princess Christian Care Home

Last week our staff got all dressed up for Elf Day at Princess Christian Care Home and looked wonderful in their outfits. Some of our residents joined in, with some festive Elf accessories and we got out our Elf Day bunting too!

We had great fun doing **photo shoots** with our ladies and gents and enjoyed some festive arts and crafts when we made **paper chains** and **decorative Christmas trees**.

We also organised some special elf fun, including **skittles** and **ball aiming games** with special little **trophies** for our winners.

*What a happy bunch of cheeky elves we were!*
