

Christmas fun and New Year celebrations at Princess Christian Care Home

We really enjoyed Christmas at Princess Christian Care Home, with so much for our residents to enjoy over the festive season.

Our Recreation and Well-Being Team made a fantastic **sleigh** and dressed up in festive outfits to visit all our ladies and gents to give out **presents**, which was so wonderful.

We enjoyed **carol concerts** and **dance shows** from local Stagecoach school children, pantomimes, Christmas photoshoots, as well as a delicious **Christmas dinner** of course!

On **New Year's Eve**, we celebrated from midday with sherry and treats. All our residents wore their homemade New Year's Eve hats and took part in lots of dancing songs (YMCA being a particular favourite!). They also enjoyed some seated **Zumba** with musical instruments, as well as watching the fireworks fun on television, which were amazing!

Wishing all our families and friends a very happy 2021!

'Snow place like Princess Christian!
