

Cooking Churros with Cosmin at Princess Christian Care Home

Our residents in our Knaphill Unit at Princess Christian Care Home were taken on a culinary virtual journey to Spain last Friday with the Unit's inaugural Cooking with Cosmin class.

Cosmin pre-made the donut batter into traditional churros shape and worked with our residents to deep fry the yummy treats on his mobile hob before sprinkling with sugar and cinnamon. *Delicious!*

It was a great day and thanks to our Recreation and Well-Being Team members Lucy, Carol and Michelle, many of our residents were able to take part.
