

## **Cooking Club biscuits at Princess Christian Care Home**

**On Monday 9 January we held our first Cooking Club of 2023 here at Princess Christian Care Home.**

**John, Ameneh, Joan, Bruce and Celia** all enjoyed helping our **Chef Cosmin** prepare some **delicious chocolate chip cookies** – consisting of flour, melted butter, eggs and melted chocolate – mixing all the ingredients expertly!

The mixture was then rolled into balls and put in the oven to bake. The results were lovely and our residents all **enjoyed them with their cup of tea** in the afternoon.

**Olivia** and **Carol** supervised our enthusiastic '*Chefs in training*' and everyone received a certificate at the end of the session.

*Well done team!*
