

## **Cooking Club cheesy chips at Princess Christian Care Home**

**Cheesy chips were on the menu on Friday 21 April, as Chef Cosmin hosted another one of his Cooking Clubs here at Princess Christian Care Home.**

Our residents **peeled and sliced the potatoes ready for Cosmin to fry** on our mobile hob.

**Everyone got a portion to sample at the end** of the session and they loved them; freshly made cheesy chips...mmmm....*far better than McDonald's! Ha!*
