

## **Cooking Club vegetable prepping at Princess Christian Care Home**

**On Friday 14 October at Princess Christian Care Home, our residents Bruce, Doreen, Ameneh and Celia took part in our regular Cooking Club.**

During the session they got stuck into **peeling and cutting vegetables** for the supper menu **vegetable soup**.

Lucy and Olivia from our Recreation and Well-Being Team were on hand to help as the chopping and slicing went on with gusto!

Well done to the team who produced some wonderful veggies all ready for soup-making. *Certificates were presented for a job well done!*
