

## Cooking with Cosmin at Princess Christian Care Home

**Our recent Cooking Club session involved making shortbread biscuits and moulded chocolate treats here at Princess Christian Care Home.**

Our residents looked very smart in their new **'Cooking with Cosmin' aprons** and particularly enjoyed **melting the chocolate chips** and adding the liquid chocolate into shaped moulds – *with the all important lick of the bowl at the end of the session!*

We all enjoy these shared sessions which are a great chance to socialise, use our dexterity and of course enjoy tasting some delicious creations!
