

Delicious Jubilee buffet at Princess Christian Care Home

Our Kitchen Team really did us proud for the Queen's Platinum Jubilee celebrations last week here at Princess Christian Care Home.

Between them, they created beautiful **canapé platters**, **buffet favourites**, fabulous **fruit displays** and some delicious sweet treats including **cream cones**, **doughnuts** and a **magnificent Jubilee cake**. Refreshments included Prosecco, Becks and fresh lemonade.

Fit for royalty indeed and all perfectly presented for our residents' Jubilee party. *What a treat!*

Huge thanks to the talented **Cosmin, Cristian, Catalin, Paul and Eduard** for their incredible hard work and dedication to creating such a memorable Jubilee feast!
