

## DIY and dancing at Princess Christian Care Home

### DIY Club

**Last Thursday we launched one of our new clubs for our gentlemen here at Princess Christian Care Home. With the help of our Maintenance Man Martin, we started a club called the DIY Club.**

Our residents had a fantastic time, removing pieces from the trolley and rubbing it down with sandpaper – ready for painting in our next session.

Some of our gents reminisced on fond memories of when they used to build and mend things

## The Beatles

On Tuesday last week we had a lovely visit from our friend Terry who helped us enjoy an afternoon of **Beatle Mania**. Our residents were tapping their hands and feet in time to the music – some even went one step further and decided to dress up as them.

What a great afternoon had by all!

## Flowers

Some of our residents thought they would have a go at flower arranging during the week. We brought a selection of flowers for them to choose from, and also picked some foliage from the **Princess Christian Garden**.

Our ladies made some wonderful displays
