

## **Double birthday cake helpings at Princess Christian Care Home**

**Our lovely resident Lawrence celebrated his 89th birthday here with us recently at Princess Christian Care Home, along with loved ones and friends.**

His family arranged a **surprise party** for him which he was very happy with and **he loved his cake** (as did his visitors!), lovingly created by our Catering Team,

**Jean** was our birthday girl on Friday 5 April, as she celebrated her **86th birthday** along with our team members and fellow residents. She was so pleased with her cake, which was delicious, and she even sang '*Happy birthday*' to herself!

*Many happy returns of the day Lawrence and Jean!*
