

Double birthday celebrations and cake at Princess Christian Care Home

We enjoyed celebrating two birthdays here at Princess Christian Care Home last week.

First we had our lovely **Tony's birthday** from our **Bisley Unit** who had a super time celebrating with his wife and son who came to visit. His **delicious cake**, decorated with icing and cherries, was enjoyed by everyone.

Next was dear **Jan** who is quite new to our **Home**. She was very pleased when we all sang '*Happy birthday*' to her and very impressed with her delightful **chocolate creation cake** which our talented Catering Team had prepared for her.

Many happy returns Tony and Jan!

Tony really enjoyed his birthday visit
