

Double birthday celebrations and cake at Princess Christian Care Home

Our lovely Tony in our Bisley Unit at Princess Christian Care Home enjoyed celebrating his birthday this week with a delicious birthday cake which he shared with our residents and staff. He was thrilled with all his presents!

Also celebrating her 83rd birthday was our wonderful **Patsie** from our **Pirbright Unit**. We arranged for her daughter **Aby** and son **Nathan** to come in for a surprise visit and arranged a wonderful chocolate birthday cake with our Chef **Cosmin**.

It was also **Aby's** birthday on the same day, so it was a surprise for her too and we played them '*Happy birthday*' music as the huge cake was brought in. It was a very special day for the family, with smiles all round!
