

## Easter celebrations and buffet at Princess Christian Care Home

**We hosted our wonderful Easter party on Thursday 28 March at Princess Christian Care Home and what a great time we had!**

We invited our popular **singer Johnny Quatro** to entertain us, and our residents enjoyed **singing and dancing** the afternoon away. We had some very fancy footwork from our Activity Team, as well as Operations Manager Silvia who came to visit!

Afterwards, we tucked into a **beautiful buffet prepared by our wonderful Catering Team**, which included:

- A sandwich selection and platters of finger food
- Roast lamb with roasted potatoes and vegetables
- Macaroni cheese
- Vegetable quiche
- Cheese and biscuits
- Tiramisu
- Mango mousse
- Hot cross buns
- Mini croissants with Turkish delight
- Homemade biscuits and macarons made by Maria

Chef Cosmin was assisted by his fantastic catering events team – Ionela, Adelina, Dora and Olivia. *Thank you to them all for making the food and service so superb.*

As part of the fun, we held a **raffle with lots of great prizes**. Everyone had a super time surrounded by great music, food and friends.

On Easter Sunday our Activity Team dressed up as the **Easter Bunny**, with his friend **Colin The Caterpillar**, and visited all our lovely residents **handing out chocolate treats**. *We had lots of smiley faces!*

*What a wonderful Easter weekend, full of joy!*
