

## Eduard at Princess Christian Care Home awarded Employee of the Month

**Congratulations to Kitchen Assistant/Chef Assistant in training Eduard Sarmasag, who was recently awarded our Employee of the Month for July here at Princess Christian Care Home.**

**Head Chef Cosmin nominated Eduard for his commitment and hard work as part of the Kitchen Team, commenting:**

*"Eduard has worked with us for two years now and I've been impressed with his attention to detail. He is honest, ambitious and innovative, working closely with me on our A La Cart Menu to bring new flavours and dishes to our residents. He is always positive in the kitchen and helps everyone in need; a great example for other colleagues. He is very reliable and always happy to cover shifts. On top of this, he has recently started a Nutrition course as this is an area he is passionate about. He thoroughly deserves this recognition."*

**Well done Eduard!**
