

Eggs are sunny side up at Princess Christian Care Home

Last week at our popular Cooking Club our residents at Princess Christian Care Home happily cook fried eggs with spinach and cherry tomatoes on our mobile hob, supervised by our Head Chef Cosmin.

It was wonderful to see our **residents so engaged with cooking their eggs** in particular and thoroughly enjoying eating their tasty brunches.

Our Home Manager Mario was our **special guest for the cooking demonstration** and he was very impressed by all our Chefs-in-the-making! He also took part in some cooking himself and was quite a dab hand!

Delicious plates all round, and lots of happy tummies!
