

Elvis birthday celebrations and Mexican hats at Princess Christian Care Home

On Monday 8 January we celebrated the birthday of Elvis Presley at Princess Christian Care Home.

We had an **Elvis quiz** (which some of our residents were very good at!) and in the afternoon we had a singalong to all of our residents' **favourite Elvis songs**. Some of our lovely residents also took to the microphone to sing – and very good they were too!

This week we've also been busy **making some Mexican hats in preparation for our Mexican party** next week; as you can see, our lovely residents look very colourful.
