

Elvis visits Princess Christian Care Home

On Friday 21 January we had a very important visitor here at Princess Christian Care Home, the one and only Elvis Presley! 'The King' spent the day with us **singing and leg-shaking** and everyone had a fantastic time doing photo shoots. Our ladies won our **Elvis Quiz** and we also hosted an **Elvis karaoke** with our residents, who proved to be excellent singers! Big shout out to our lovely resident **Barry** who kept us all entertained with his dancing and famous leg shaking! *Eventually, Elvis did 'leave the building'!*
