

Enjoying Fathers Day at Princess Christian Care Home

Our gentlemen had a super Father's Day with us on Sunday 21 June here at Princess Christian Care Home.

We laid on a feast of nibbles for them; **pork pies**, **scotch eggs** and **pickled onions** to name a few, all washed down with **lager**, **bitter** and **ginger ale**!

They had great fun playing **games** and watching **old films** on television.

Our team also handed out **poems** about fathers which they thoroughly enjoyed reading and it was lovely to hear the fond memories they had of their children when they were younger.
