

Festive music and mince pies at Prince Christian Care Home

We hosted a party 'al fresco' at Princess Christian Care Home on Monday 7 December.

Musical entertainment was provided by the wonderful **Najwa**, who come to sing for us – looking very festive in her Santa outfit!

We had our large **gazebo** up with heaters inside and our residents snuggled up in blankets and sang along with Najwa. They also enjoyed **mince pies** and **hot chocolate with marshmallows**.

It felt very festive and it was so wonderful to hear Najwa's beautiful voice; everyone thoroughly enjoyed themselves...*especially our Manager Mario, who always impresses us with his dance moves!*
