

Festive preparations and music at Princess Christian Care Home

Our Princess Christian Care Home residents were busy preparing for Christmas last week.

We have been making a huge **fireplace ready for Santa** to drop in and our ladies and gents have made some lovely **bright stockings** to hang on it.

Maria has decked out our lovely sensory room beautifully and our residents have all commented on how wonderful and festive it is!

We also welcomed our lovely **Najwa** who came to sing for us on Monday; everyone enjoyed her wonderful music and joined in singing and dancing together.

We love decking out our Home with festive decorations!
