

Five Star Food Standard Award at Princess Christian Care Home

Our Catering Team at Princess Christian Care Home underwent an impromptu inspection from the Food Standards Agency last week.

Once again, we are delighted to be awarded a maximum level **5 star rating for food hygiene**, highlighting the hard work of our Catering Team members who consistently operate at an extremely high level of cleanliness and proficiency.

Congratulations to our team receiving this well-deserved recognition for their outstanding levels of food service for our residents.

Head Chef Cosmin commented "Our Catering Team operate at an exceedingly high level which consistently ensures a clean and safe environment to work in. The food we prepare is of the highest standards because of the strict systems in place that are inherent in our daily food practice. Thank you to all my team for everything you do!"
