

Happy birthday to Margaret at Princess Christian Care Home

Our lovely resident Margaret celebrated her 83rd birthday on Wednesday 23 March with staff and other residents here at Princess Christian Care Home.

She was very pleased with the **delicious cake** created by our kitchen team and she received some beautiful bouquets of flowers from her family and friends. *And she looked very fetching in our birthday hat!*

Our residents enjoyed their **tea and cake outside on the veranda** last week due to the lovely warm weather we had, *roll on the summer time!*
