

Happy fun times at Princess Christian Care Home

Residents enjoy a busy month of entertainment

Princess Christian Care Home residents have had a fun, busy time so far this month; We had a super fathers day celebration on Friday 15 June with a Bollywood Dancer who came to entertain us all – our ladies and gents loved her and some even joined in dancing with her, and very good they were too!

As it was also **national beer day**, we had lots of different beers to try, as well as fruit cocktails and bowls of crisps and homemade cheese straws – which were very tasty – *well done to our residents!* We handed out gifts of chocolate and puzzle books to all our male residents.

We took some lovely photos when our **Pet Therapy dog Billy** came to visit with her lovely owner Louisa; Billy visits once a week and is very popular with all our residents. Stroking Billy has a soothing, therapeutic effect.

We also held another **Derby Day** which residents always enjoy; We muted strawberries and chocolates, and sipped tasty cocktails and smoothies. All winners received a certificate and trophy.

Last Thursday, our lovely **volunteer Joan** held a 'scrabble off' with some of our residents; It was great fun to watch and quite interesting to learn some very unusual words.

Our lovely **singer Najwa** come to sing for us twice in the last few weeks; Najwa is extremely popular and always has residents dancing or singing along with her. Her beautiful voice and demeanour have a wonderful effect on many of our residents.

To '*top it off*', a few of our residents **made some lovely pizzas** last week – they were really tasty. They also tried their hand at making mini trifles which were enjoyed by all!
