

Happy Hawaiian Day at Princess Christian Care Home

We had a fun filled day on Tuesday 8 September when we transformed Princess Christian Care Home into a Hawaiian paradise!

Our residents and staff all got involved with **decorating our trollies** and **painting Hawaiian-themed scenery**. Our residents wore flower garlands and tropical accessories and we had colourful table decorations too – *pineapples and flamingos a go-go!*

Our wonderful **Head Chef Cosmin** and his team turned pineapples into works of art and produced a delightful spread of delicious goodies to eat, including a wonderful **upside down pineapple cake** which we all thoroughly enjoyed.

This was followed by tasty **fruit cocktails and smoothies** and a 'game of skittles with a difference' using **coconuts** instead of balls which our residents found hilarious!

Next week we'll be hosting a '*Mad Hatter's Tea Party*' out in our garden, so watch this space!
