

Haunted halloween saloon at Princess Christian Care Home

Princess Christian Care Home residents had a halloween with a difference this year as staff dressed as spooky cowboys.

We had a great day of Halloween fun dressing up and playing spooky games like pumpkin toss, pass the pass the parcel and Halloween bingo; Not forgetting photo frame selfies!

We then enjoyed the afternoons' spooky entertainment down at the Haunted Saloon with Cowboy Vic he played a variety of western songs which the residents really enjoyed.

Lots of fun was had by all!
